

REDFORD MODEL RAILROAD CLUB

www.redfordmrrc.org

2019-2020

Dear Friend of the RMRC,

Since 1938, the Redford Model Railroad Club (RMRC) has been serving the Michigan community by preserving railroad history, and providing Michigan community support through projects such as Open Houses and volunteering at Train Shows. In order to continue providing these services, we are asking local businesses for their support of the RMRC. *We are a 501(c)(3) Non-Profit Organization for donations.*

Each year, beginning in September and continuing through May, the RMRC will be opening its doors to the public on special Saturdays for our annual Season Open House Program. The Open House attracts hundreds of visitors each season, exposing not only the heritage of railroading, but also the hobby of model railroading to the community.

As stated, we are seeking the support of local businesses by offering the opportunity to advertise on our "Business Train". The special train, operated all hours of the Open House, will run around the 26 x 52 model railroad track and be viewed by hundreds of visitors throughout the Open House Season. For each business that is interested in receiving this exposure, and supporting the Redford Model Railroad Club, for \$40 you can have your own vinyl wrapped car with your advertisement displayed (please supply 15-20 business cards). After the first year, renewal is only \$20!

The Redford Model Railroad Club wishes to thank each business in advance for supporting both the RMRC and the community at large for participating in this opportunity. Further, we invite you and your family to visit the model railroad displays during the Open House Season. Model railroading is truly a family activity and provides many opportunities for both adults and children. Many thanks for your cooperation and support.

Sincerely,

Mike Brown, Past President
31917 Leona, Garden City, MI 48135
